Phonology in English Language Teaching is an introductory text, specifically directed at the needs of language teachers internationally. Combining an overview of English phonology with structured practical guidance, this text shows how phonology can be applied in the classroom. An introductory chapter provides the philosophical framework, followed by separate chapters on the phonology of consonants, vowels and prosody. As well as presenting core material on English phonology, the book explores the relationship of orthography to the English sound system from a historical and a present-day perspective. The final chapter focuses on lesson design and provides practical advice to teachers on diagnosing and responding to students' pronunciation difficulties. As central themes, the book examines English seen from the perspective of international usage and considers the relationship of phonology to communication and the broader language curriculum. Consistent with its practical and communicative orientation each chapter concludes with pedagogical exercises and ideas for classroom and community research projects.

This book includes the answers to the questions in English Practice Exercises 11+, as well as guidance on what pupils should include in their answers to help gain top marks. A suggested mark scheme is also provided. - Endorsed by ISEB - Contains all the answers to the questions in English Practice Exercises 11+ to save you time marking work, and help you to identify areas that require further study - Includes additional answer guidance with advice on what to include to achieve top grades - Answers are presented in grid format, with mark schemes and bullet points for ease of use

Designed to enrich English skills through both whole-group and individual instruction. Includes a variety of enrichment activities, a glossary, and an answer key.

An essential teacher's companion to an innovative, uniquely visual English-language course, this e-guide helps English teachers--including those for whom English is not their native language--create clear, focused lesson plans, explain difficult concepts in a simple and concise way, and make language learning exciting, intuitive, and incredibly easy. This teacher's e-guide is designed to accompany English for Everyone, a comprehensive course in English as a foreign language for adults. English for Everyone combines innovative and systematic visual teaching methods with the best of DK design to make the English language easy to understand and learn. Key language skills, grammar rules, and vocabulary are reinforced with listening, speaking, reading, and writing exercises, available in print and digital formats. The English for Everyone Teacher's Guide helps busy classroom teachers or one-on-one tutors get the most out of using the course with their students. Its step-by-step guide to the crystal-clear, tightly structured teaching method shows teachers how to explain even the trickiest points of English in an engaging, easy-to-follow way. It also includes instructions for the series' highly versatile exercises, which are primarily suitable for homework, independent study, or one-on-one tutoring, but are readily adapted for classroom or group activities.

pronunciations are given in easy way helping the readers to understand the complexities of English pronunciation. - Author, Salim Khan Anmol

No one is born with good writing skills. It takes time to learn proper writing techniques and a great deal of practice to improve your skills. Our exercises allow you to improve writing and grammar skills while rewriting real world English passages. The English passages included in this book are mostly workplace oriented. Therefore they are more suitable for working adults. Rewrite the passages as directed. One suggested answer is provided for each passage. As there is no 'best' way to write and rewrite (to be honest, there's simply no particular way), it is recommended that you try your best and rephrase or restructure the sentences as needed. You may write several different versions and then decide which one operates best for your purposes. We assume that your basic grammar is accurate and that you have a minimal level of skills writing and going into detail. You should be able to read and write basic information, and use individual words and phrases in familiar situations.

The top-selling Advanced Placement test preparation guide that delivers 75 years of proven Kaplan experience and features exclusive strategies, practice, and review to help students ace the AP English Language and Composition exam! One of the keys to acquiring a new language is to learn the patterns that make up the language. Simply learning phrases so you can speak "pidgin" Cherokee is not learning Cherokee. You need to learn the fundamentals of the language on how words are put together to be able to understand and communicate in the language. There are many degrees of meaning that different word parts provide and if you don't learn these shades of meaning up front and how they are expressed you will never progress beyond simple memorized phrases and never obtain satisfaction with the language. While each person's skill will differ, one should strive to gain enough understanding of the mechanics of language to be able to comprehend and communicate effectively. The goal of this material is to provide you a solid structural foundation on how Cherokee works. You will learn how words are put together in basic sentences and how to form new words for ideas not listed in the dictionary.

CD-ROM provides over 200 extra exercises to help you practice the grammar presented.

American English Primary Colors is a new 4-level course for young learners. It is packed with fun activities which ensure that children use English in a purposeful way. Right from the start, they are fully involved in thinking for themselves, doing things for themselves and making things themselves, all of which is underpinned by a strong structural syllabus. The Student's Books have engaging stories, puzzles, games, songs and chants, and craft activities. The course includes Activity Books, Teacher's Books, Class Audio CDs, Songs/Songs and Stories CDs, and Vocabulary Cards. The course encourages children to think about the world around them and, at the higher levels, to make connections with other areas of the curriculum. This approach makes language learning meaningful and memorable.

English Sentence Analysis: An introductory course is designed as a 10-week course for students of English Language and Literature, Linguistics, or other language related fields. In 10 weeks the student will be proficient in English analysis at sentence, clause and phrase level and have a solid understanding of the traditional terms and concepts of English syntax. This introduction prepares for practical courses in grammar and writing skills and for theoretical courses in syntactic argumentation. The Course Book provides sentence structures in clear graphics; logically structured chapters with Introductions and Summaries; exercises with quotations and excerpts from English, American and Australian literature and pop songs. English Sentence Analysis: An introductory course has been classroom tested at various universities. The students seem to enjoy the 'dreaded' syntax course and pass rates have gone up significantly from 50 to 70%.

Originally, this book was accompanied by a CD-rom with a Practice Program for Windows. The Practice Program on CD-rom is not updated anymore by its creators and as a result is no longer compatible with current Windows versions. For this reason, we have ceased to include it with the book.

English enjoys a preeminent position today among world languages. However, even the large populations that are proficient in the vocabulary and grammar of English are not equally proficient in the pronunciation of the language. This adult population is the target audience of this book. Based on the RP (Received Pronunciation) model - the most widely understood English pronunciation across the world - this systematically organized and lucidly written text covers the entire range from sound to connected speech, i.e., dialogues, anecdotes, passages and short speeches. The book is in two parts: Part I deals with all important aspects of English pronunciation; Part II comprises a pronouncing dictionary. Intended for adult learners of English, the book chiefly aims at remediation, and most of the practice materials and exercises are given with this end in view. Besides, with the help of numerous listening exercises, the course sharpens the learners' ability to comprehend spoken English with ease, thereby training them to face real-life situations (for example, interviews) with confidence and competence.

Offers complete in-depth preparation for the Cambridge IGCSE in English as a Second Language (E2L) examination.
