Daily, committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a satisfying career, or the love of your life. In fact, the phrase "Law of Attraction" contains the word ACTION, which means that your success with this spiritual power requires you to take committed, daily action by aligning your thoughts, words and feelings to your intention. Once you have transformed your beliefs about what is possible, your desire will show up in your life. Unfortunately, many people on this spiritual

Now available as an eBook, a simple step-by-step guide that allows you to realistically apply the Law of Attraction to improve your life and achieve the next level of practical understanding. The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information. In one book, Dr. David Che has made the most

help you see how a fulfilling, joyful existence is possible for everyone (no matter what has happened in your life so far). Katherine Hurst leads the world's largest Law of Attraction Community - with millions of followers in over 125 countries worldwide. Working with so many people, she has been able to see first-hand, perhaps more than anyone else in the world, exactly what works and what doesn't work when it comes to using the Law of Attraction to master the power of your intention.

THE LAW OF ATTRACTION WORKS...IF YOU WORK IT! The fastest way to manifest your desires is by implementing a Law of Attraction action plan. Since everything in the Universe is energy, the necessary ingredient for manifestation is the consistent mental and emotional energy that you emit in the form of thoughts, feelings, words and actions. It's very important to remember that the phrase "Law of Attraction" contains the word ACTION. Too many people on this spiritual path get caught up reading lots of books about the Law of Attraction, attending numerous seminars and hearing lectures about the Universal Law, but they fail to use the powerful tools that will translate their desires from the invisible world of cause to the visible world of manifestation. There are many books and audio programs on the market that explain what the Law of Attraction is and what it does, but few that actually teach people how to use this creative power on a daily basis. As a result, this book will provide you with advanced manifestation techniques, strategies, insights, and success stories that will help you quickly manifest your desires with the Law of Attraction. Many students of the

Law of Attraction have expressed concerns about being overwhelmed with all the manifestation books and study materials on the market. A friend recently told me: "I went to a book store and saw so many Law of Attraction books that I couldn't decide which to buy." Another friend said, "I know what the Law of Attraction is and what it does, but I am having trouble understanding what I need to do each day to make it work for me." I responded by telling my friend that she is not alone with her concerns. There is a lot of information on the market explaining what the Law of Attraction does, yet much of it fails to explain what must be done on a daily basis to make it work effectively. As a result of these concerns, I have written this book to guide readers through a series of real-life, daily scenarios that demonstrate what should be done each day in order to use the Law of Attraction effectively. The people interviewed for this book are among hundreds of people whom I have met during the course of my spiritual journey. I have met these wonderful people at seminars, workshops, lectures, churches, spiritual centers and through online forums on spirituality and personal growth. These enlightened individuals are among my growing community of spiritual friends who have shared their insights and experiences with me, and who comprise a growing support group of like-minded people who understand the importance of self-empowerment and spiritual evolution.

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton’s laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles: • There is an invisible energy force or field of infinite possibilities. • You impact the field and draw from it according to your beliefs and expectations. • Your connection to the field provides accurate and unlimited guidance. • The universe is limitless, abundant, and strangely accommodating. Everything You Need to Know to Change Your Life for the Better, from Best-Selling Author Lisa Chamberlain "Thoughts become things." "Like attracts like." "You get what you think about." You've probably encountered at least one of these ways of explaining how our habits of thought are actually creating our reality. The Law of Attraction has been a wildly popular topic for scores of "self-help" authors, motivational speakers, and New Age thinkers. But it's often been a source of frustration for readers who can't quite seem to make the Law of Attraction work for them. Witches know that we can use the focused energy of our thoughts to bring about the healing of illness, more loving relationships, financial prosperity, and the accomplishment of long-held goals and dreams. But there is much more to it than simply thinking about what you want. The Law of Attraction is actually part of a larger framework for understanding how the Universe works. It's one of a set of laws, and our knowledge of them has been handed down to us over several centuries. This guide is an introduction to the Law of Attraction from a Witch's point of view, but you don't have to be a Witch in order to gain plenty of insights here. The information

is intended for Witches and non-Witches alike. In fact, you don't have to be "religious" or "spiritual" at all to work with the Law of Attraction. But you do have to have an open mind, and accept that what you've been taught about the nature of reality is incomplete. This is the crucial starting point.
