### BIUT

This book contains Mahatma Gandhi's 1943 work, "Conquest Of Self". This inspiring text would make for a worthy addition to any personal library, and will be of special interest to fans and collectors of Mahatma Gandhi's seminal work. Mohandas Karamchand Gandhi (1869 - 1948) was the most significant leader in the Indian independence movement in British-ruled India. He championed non-violent civil disobedience, civil rights, and personal freedom for all people. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind

that we are republishing this volume now, in an affordable, high-quality, modern edition. It comes complete with a specially commissioned biography of the author.

This edition of Importing Into the United States contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. Importing Into the United States provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.
