No Marketing Blurp

The Little Engine That Could is an illustrated children's book that was first published in the United States in 1930 by Platt & Munk. A stranded train is unable to find an engine willing to take it on over difficult terrain to its destination. Only a little blue engine is willing to try and, while repeating the mantra "I think I can, I think I can", overcomes a

seemingly impossible task. Based on a 2007 online poll, the National Education Association named the book one of its "Teachers' Top 100 Books for Children".

"I think I can learn my ABCs, " says the little blue engine! Kids can learn them, too, in this colorful introduction to the alphabet, featuring familiar objects from a child's world.

"Based on the book THE LITTLE ENGINE THAT COULD (The Complete, Original Edition) by Watty Piper, illustrated by George & Doris Hauman, Æ Penguin Random House LLC."

The Little Engine That Could is on the move and visiting all fifty states! Follow along as our favorite little blue train road-trips across the United States of America to lend a helping hand. The practice of WarDriving is a unique combination of hobby, sociological research, and security assessment. The act of driving or walking through urban areas with a wireless-equipped laptop to map both protected and un-protected wireless networks has sparked intense debate amongst lawmakers, security professionals, and the telecommunications industry. This first ever book on WarDriving is written from the inside perspective of those who have created the tools that make WarDriving possible and those who gather, analyze, and maintain data on all secured and open wireless access points in very major, metropolitan area worldwide. These insiders also provide the information to secure your wireless network before it is exploited by criminal hackers. * Provides the essential information needed to protect and secure wireless networks * Written from the inside perspective of those who have created the tools for WarDriving and those who gather, maintain and analyse data on wireless networks * This is the first book to deal with the hot topic of WarDriving

Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in The New Republic as "the most profound and accomplished American novel since the end of World War II."

The special anniversary edition of The Little Engine That Could™ contains the entire text and original artwork. Young readers, as well as parents and grandparents, will treasure the story of the blue locomotive who exemplifies the power of positive thinking.

The Little Engine That CouldPenguin

Dan Santat's Caldecott Medal-winning The Adventures of Beekle: The Unimaginary Friend is a humorous and thoughtful celebration of friends. This magical story begins on an island far away where an imaginary friend is born. He patiently waits his turn to be chosen by a real child, but when he is overlooked time and again, he sets off on an incredible journey to the bustling city, where he finally meets his perfect match and--at long last--is given his special name: Beekle. The #1 New York Times bestselling and award-winning author and illustrator Dan Santat--creator of After the Fall and Are We There Yet?--combines classic storytelling with breathtaking art in an unforgettable tale about friendship, imagination, and the courage to find one's place in the world.

The original, classic motivational tale with stunning new art in a handsome edition. The Little Engine is a classic fairytale that all children should know. Originally written in the early 20th century, the story is one of perseverance and confidence. You and your child can now read this original children's classic with this new edition full of colorful illustrations. The Little Engine follows a little train engine who takes up the task of carrying a large train up a massive hill—a task that larger and more accomplished engines refused to do. The little engine huffs and puffs his way up the hill, struggling to carry his heavy load. However, he is positive and confident the whole way and ends up succeeding

in his mission, making it over the crest of the hill and down the other side. Reading about the results of positivity, and perseverance in this beautiful new edition of The Little Engine will leave your child (and you) feeling confident and thinking "I think I can, I think I can" all day long!

Based on the book The little engine that could by Piper Watty.

When the other engines refuse, the Little Blue Engine tries to pull a stranded train full of toys and good food over the mountain.

All aboard! This book is the perfect gift to say thanks: for the big things, the small things, and everything else along the way. This special gift book, complete with beautiful illustrations and timeless messages of thanks and appreciation, is the perfect way to tell a loved one: "Thank you." Show your teachers and all the special people in your life how much you appreciate them in this colorful book of thanks featuring The Little Engine That Could.

Ride along to school with the #1 New York Times best-selling Little Blue Truck and meet Blue's new friend: a bright yellow school bus. Beep-beep! Little Blue Truck and his good friend Toad are excited to meet a bright yellow school bus on the road. They see all the little animals lined up in the school bus's many windows, and Blue wishes he could be a school bus too. What a fun job--but much too big for a little pickup like Blue. Or is it? When somebody misses the bus, it's up to Blue to get his friend to school on time. Beep! Beep! Vroom! Also enjoy Blue's bedtime ride in Good Night, Little Blue Truck and his trip to the city in Little Blue Truck Leads the Way.

Ring in Valentine's Day--and love--with Love from the Little Engine That Could! This charming original title, featuring everyone's favorite little train is the perfect gift for that special someone on Valentine's Day--or any day of the year. The Little Engine That Could is turning ninety! And now this special gift book, complete with beautiful illustrations and timeless messages of belief and acceptance, is the perfect way to tell a loved one that they can do anything they set their minds to.

Celebrate the 90th anniversary of The Little Engine That Could with this all-time classic reillustrated by Caldecott Award-winning artist Dan Santat! The kindness and determination of the Little Blue Engine have inspired millions of children around the world since the story was first published in 1930.
