“A truly outstanding novel.”—Heather Morris, #1 bestselling author of *The Tattooist of Auschwitz* “Emotional and powerful.”—Pam Jenoff, *New York Times* bestselling author of *The Lost Girls of Paris* From *New York Times* bestselling author Karen Robards comes one of the most anticipated novels of the summer... A world at war. A beautiful young star. A mission no one expected. Paris, 1944 Celebrated singer Genevieve Dumont is both a star and a smokescreen. An unwilling darling of the Nazis, the chanteuse's position of privilege allows her to go undetected as an ally to the resistance. When her estranged mother, Lillian de Rocheford, is captured by Nazis, Genevieve knows it won't be long before the Gestapo succeeds in torturing information out of Lillian that will derail the upcoming allied invasion. The resistance movement is tasked with silencing her by any means necessary—including assassination. But Genevieve refuses to let her mother become yet one more victim of the war. Reuniting with her long-lost sister, she must find a way to navigate the perilous cross-currents of Occupied France undetected—and in time to save Lillian's life. For fans of *The Nightingale*, *The Women in the Castle* and *The Lost Girls of Paris*, this exquisite novel illuminates three women's strength, courage and capacity for unconditional love.

All sorts of short pieces, including sketches, parodies, plus poems by this famous American writer.

The delightful classic by E. B. White, author of *Charlotte's Web* and *Stuart Little*, about overcoming obstacles and the joy of music. Now available for the first time as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Like the rest of his family, Louis is a trumpeter swan. But unlike his four brothers and sisters, Louis can't trumpet joyfully. In fact, he can't even make a sound. And since he can't trumpet his love, the beautiful swan Serena pays absolutely no attention to him. Louis tries everything he can think of to win Serena's affection—he even goes to school to learn to read and write. But nothing seems to work. Then his father steals him a real brass trumpet. Is a musical instrument the key to winning Louis his love? "We, and our children, are lucky to have this book." —John Updike *The Trumpet of the Swan* joins E. B. White favorites *Charlotte's Web* and *Stuart Little* as classic illustrated novels that continue to speak to today's readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

After brilliantly reimagining the worlds of Oz, Wonderland, Dickensian London, and the Nutcracker, the *New York Times* bestselling author of *Wicked* turns his unconventional genius to Hans Christian Andersen's "The Wild Swans," transforming this classic tale into an Italian-American girl's poignant coming-of-age story, set amid the magic of Christmas in 1960s New York. Following her brother's death and her mother's emotional breakdown, Laura now lives on the Upper East Side of Manhattan, in a lonely townhouse she shares with her old-world, strict, often querulous grandparents. But the arrangement may be temporary. The quiet, awkward teenager has been getting into trouble at home and has been expelled from her high school for throwing a record album at a popular girl who bullied her. When Christmas is over and the new year begins, Laura may find herself at boarding school in Montreal. Nearly unmoored from reality through her panic and submerged grief, Laura is startled when a handsome swan boy with only one wing lands on her roof. Hiding him from her ever-bickering grandparents, Laura tries to build the swan boy a wing so he can fly home. But the task is too difficult to accomplish herself. Little does Laura know that her struggle to find help for her new friend parallels that of her grandparents, who are desperate for a distant relative's financial aid to save the family store. As he explores themes of class, isolation, family, and the dangerous yearning to be saved by a power greater than ourselves, Gregory Maguire conjures a haunting, beautiful tale of magical realism that illuminates one young woman's heartbreak and hope as she begins the inevitable journey to adulthood.

THIS BOOK CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to Mark, the second book of the New Testament, is one of the four canonical gospels and the three synoptic gospels. It tells of the ministry of Jesus from his baptism by John the Baptist to his death and burial and the discovery of the empty tomb - there is no genealogy or birth narrative, nor, in the original ending at chapter 16, any post-resurrection appearances. It portrays Jesus as an heroic man of action, an exorcist, a healer, and a miracle worker. Jesus is also the Son of God, but he keeps his identity secret, concealing it in parables so that even the disciples fail to understand. All this is in keeping with prophecy, which foretold the fate of the messiah as Suffering Servant. The gospel ends, in its original version, with the discovery of the empty tomb, a promise to meet again in Galilee, and an unheeded instruction to spread the good news of the resurrection.

This edition of Ducks, Geese, and Swans consists of two volumes, printed in full color, and packaged in a slipcase, along with a CD containing references and additional maps.
