

## Valorous

To Honor and Preserve Our Ancestral Trust John Rolland delivers a powerful punch in *The Valorous Caucasian*, a book dedicated to the "preservation of difference." According to Rolland, the Caucasian race is neither superior nor inferior to other races—merely different—and it is this difference that the author embraces. In these times of racial ambivalence, *The Valorous Caucasian* provides a voice for Caucasian nationalism throughout the world, a celebration of Caucasian people and their enduring spirit. At great cost to themselves in suffering and death, our Caucasian forefathers and mothers bestowed upon us their wondrous gifts. These included their territory, their discoveries, and their culture. But their greatest gift was their genes, which gave us our intelligence, identity, beauty, and health. For these gifts we as Caucasians should be eternally grateful, and we should honor them above all else so that when we are gone, there will be those who will honor us!

A slightly TAMER version of *Valorous*—all the romance, all the heat, just a little less erotic. He's a sexual dominant. She's sworn off sex. There's no way they can make a relationship work—or can they? After crashing into her destiny, Natalie discovers destiny can be a double-edged sword when it includes the biggest movie star in the world... Can Flynn and Natalie's new love survive the incessant scrutiny, among other challenges they face? From Hollywood to Las Vegas, Flynn and Natalie's whirlwind love affair has it all—romance, passion, steamy hot sex, relentless paparazzi and a murder that could be their undoing. Flynn is a dirty-talking hero who puts it all on the line for the woman he loves, who leaves no desire unfulfilled, who will do anything it takes to protect what's his... *Virtuous*, *Valorous* and *Victorious* are a trilogy, with cliffhanger endings in *Virtuous* and *Valorous*. Books 4-7 in the series are all standalone stories with NO cliffhangers.

Joel-Brock Lollis's family has vanished into the labyrinthine Sporangium below a curious Georgia emporium, Big Box Bonanzas. Glimpses of an older J-B Lollis of the Atlanta Braves on a BBB television suggest that Joel-Brock may never get back his parents and sister. The *Valorous Smalls*--almost-ten Joel-Brock, lively teen Addi, and tiny detective Valona--forge their way into the mushroom realm to change that possible future.
