An ancient vampire, beautiful beyond words, a vulnerable young man drawn to her by a power beyond his understanding, two desperate parents searching across the world for the son they love -- these are the riveting, unexpected elements of Whitley Strieber's extraordinary new novel. Lilith, the ages-old mother of the dying race of vampires, has been forced to come out of her cave deep in the Egyptian desert in search of food -- human blood. But she knows nothing about the modern world. She can't drive a car, rent a room, turn on a TV. She struggles to New York, penniless, vulnerable, and starving, protected only by her beauty and her power to capture men with desire...especially certain very special men. The instant she sees young Ian Ward, she knows that he is part vampire himself. She knows that Ian, if he ever tastes human blood, will belong to her forever. And she needs him desperately, to help her survive and live in this harsh new world of jets and credit cards and guns. She sets out on a campaign of seduction -- as sensuous as it is terrifying -- to touch human blood to Ian's lips, which will then become for him a drug a thousand times more addictive than heroin. Ian's father, Paul Ward, part vampire turned expert and obsessive hunter of vampires, knows that if the blood transforms Ian, Paul will have to kill his own son. The titanic conflict between father and son and seductress, hunter and hunted and huntress, comes to its surprise conclusion in the secret chambers beneath the great pyramids, where the hidden truths of all human history are stored. From its beginning in the dark back alleys of Cairo to its totally unexpected ending, Lilith's Dream draws the reader down seductive new paths of discovery, into places where no novel has ever before. With Lilith's Dream Whitley Strieber has created a vampire so original and a story so new that he has virtually invented a new genre. Paranormal romance is a supernatural force to be reckoned with. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden voyage of Fevre Dream does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind's most impossible dream.

Vampire Dreams Spark Notes

"The device for the play is that of a modern and successful psychoanalyst who finds herself strangely attracted to her patient, a renowned anthropology professor who claims to be a vampire. The doctor of course, knows there are no such things as vampires but his sophisticated and erudite manner becomes an obsessive fascination... Charnas's dialogue is stylish and witty--a contemporary comedy with an unsettling mixture of romance, mysticism, fantasy and sophistication...the play is mesmerizing." A J Esta, Dramalogue ..".a wonderful tale of deceptions, seduction, destruction, and romance." Kathleen Baca, San Francisco Sentinel "Charnas clearly knows her way around the undead. Her play is full of savvy, one to tempted to say biting, wit, with a realistic, common-sense attitude toward vampirism... The dialogue is bright and crisp... Highly unsafe sex." Gerald Nachman, San Francisco Chronicle

This book examines melodramatic impulses in Charlotte Brontë's Jane Eyre and Stephenie Meyer's Twilight Saga, as well as the series' film adaptations and fan-authored texts. Attention to conventions such as crying, victimization, and happy endings in the context of the Twilight-Jane Eyre relationship reveals melodrama as an empowering mode of

communication for girls. Although melodrama has saturated popular culture since the nineteenth century, its expression in texts for, about, and by girls has been remarkably under theorized. By defining melodrama, however, through its Victorian lineages, Katie Kapurch recognizes melodrama's aesthetic form and rhetorical function in contemporary girl culture while also demonstrating its legacy since the nineteenth century. Informed by feminist theories of literature and film, Kapurch shows how melodrama is worthy of serious consideration since the mode critiques limiting social constructions of postfeminist girlhood and, at the same time, enhances intimacy between girls—both characters and readers.

Eight stories, most—but not all—featuring vampires. A vampire and a sorceress take a wrong turn while evading pursuit, ending up someplace they don't want to be. An old man with bad intentions lures two little girls into a deserted playground. On a lighter note, a vampire reluctantly shares his old farmhouse with an eccentric sculptor (she has a lease).

Book 2 of 'The Stewards of Light' series, and sequel to 'My Science Teacher is a Wizard.' Blake Drywater and his fellow unfortunate students at Millard Fillmore Middle School once more find themselves facing an unexpected creature in one of their classes. substitute. His name is Mr. Coagulate, who has a strange fascination with blood and dreams. Mr. Marlin warns Blake that his substitute math teacher is actually a vampire, determined to enslave Blake and use him as an unwilling warrior in the battlefield of vampire nightmares. And in spite of Blake's best efforts to stay out of such a horrible place, he unwillingly finds himself in the midst of the vampire battle one night, where he learns that nothing ever works out the way it should.
